## Azotel - The World Standard in WISP Management

Azotel are currently managing the networks of operators on a Worldwide basis. These operators are located from Alaska all the way to Tonga, ranging across 6 separate continents. Azotel continues to work with their operator's to ensure their specific needs are being met, which has led to the development of the most comprehensive Subscriber Management solution available - SIMPLer.

Find out how Azotel can SIMPLify your business operations at [www.azotel.com](http://www.azotel.com)

Or alternatively contact us at: [sales@azotel.com](mailto:sales@azotel.com)

## SIMPLer Distributers

### Weekly Webinar

For an Overview of the SIMPLer Solution join us on one of our weekly webinars. Thursdays at:

(14:00 GMT+1) or (12:00 EDT)

### SIMPLer Wiki- Answers to all of your questions

Azotel knows how critical it is to have access to release notes, feature releases and a quick reference to solve any questions you have.

All are found in Azotel's [Wiki!](#)

### Azotel freeing up more time for operators!

A new feature has been added to SIMPLer that enables the operator to display an "Overage T&C Agreement" page to customers that have been disconnected by SIMPLer for exceeding their monthly CAP.

This allows the customer to manage their subscription directly, freeing up time and money for the operator.

Click on the below link for a detailed review of SIMPLer's latest features.
