October 2012

When you started your ISP business...

you had a vision - to provide great service, have satisfied customers and make money. Simple, right?

But it probably hasn't been that simple. All the little things keep getting in the way.

What if all the problems with systems and technology were to become a thing of the past - allowing you to focus on your business growth and profitability?

What if billing and account management, network monitoring, bandwidth management, trouble ticketing, subscriber self management portal, mapping and help desk functions were all integrated into a single solution?

Wouldn't that make life simple?

Azotel wants to make your life and your business Simpler, just like your vision. The **S**ubscriber **I**nformation **M**anagement **P**latform, SIMPLer, was designed to do that and much more...

Learn how Azotel can simplify your business operations at the WISPAPALOOZA 2012 event this October in Las Vegas.

Visit us at **Booth 124 on the show floor** or attend our vendor session that is scheduled for **Tuesday October 23rd from 2:55PM - 3:10PM** in room J3.

Simplifying life for Operators

Azotel Technologies is proud to partner with Solutions4ebiz for direct and indirect sales channel management. Scott Alerding, Director of Distribution for Solutions4ebiz, will be attending the WISPAPALOOZA event to represent the Azotel SIMPLer products and services.

Come see how the SIMPLer system could help you with your vision on Tuesday,
October 23rd at 2:55pm
in room J3.

Scott will provide a high level overview of the SIMPLer system and some insight on where some of the operators are focusing in the future to make their lives more simple.

Azotel

Azotel is currently managing the networks of operators on a **Worldwide basis**. These operators are located from Alaska all the way to Tonga, ranging across **6 separate continents**.

Azotel continues to work with their operator's to ensure their specific needs are being met, which has led to the development of the most comprehensive Subscriber Management Solution available - SIMPLer.
